Dear Sir:-

The records I sent you were copied from the day sheets sent to our office by our travelling Secretary. If inaccurate, the dates and amounts I sent you can be so noted by Gottlieb and it will then be up to him and S. H. Posey to adjust same, as we paid the money out. My report to you is correct with daily report.

As regards Homestead Grays account. We have 5% of net from the Newark-Elite play off games still due us. I took this matter up with Mr. Jackson, he stated, "When this sum is paid Grays or the League Treasurer, then we will straighten the rest." I think this should be done.

In scanning the batting averages, as you no doubt have done, I see lots of our .400 hitters hit about .200 from July to September, while Baltimores .200 hitters of May and June lifted their averages to over .300 the last two months. That just about accounts for the change in League standings.

Yours

Cum Posey, Sec. N. N. L.
